The screenshot displays a web application interface for a "Product Selling System". The top navigation bar includes the system name, a "Development" status indicator, and utility links like "View as", "Trial has expired", "Upgrade", "Edit this application", and "Help".

The left sidebar contains the following navigation items:

- Product Selling System (with a PSS icon)
- Product Details (with a user icon and a dropdown arrow)
- Product Details (with a document icon)
- Product Details Report (with a report icon and highlighted in blue)

The main content area is titled "Product Details" and contains a form with the following fields:

- Product Name:
- Product ID:
- Category: (with a dropdown arrow)
- Price:
- Quantity:
- Brand:
- Description:
- Availability: (with a dropdown arrow)

At the bottom of the form, there are two buttons: "Update" (highlighted in blue) and "Cancel".
